

The JACCC co-presents

## 8<sup>th</sup> Annual "Spirit of the Season" Holiday Concert

*Join us for an Evening full of Surprises and Holiday Cheer!*

# H I R O S H I M A

**SATURDAY,**  
December 5, 2009, 7:30 pm

*Special Guest Stars*

**Terry Steele**, former Hiroshima  
lead vocalist

**Richie Gajate-Garcia**, voted #1  
percussionist in the world

**Roy Firestone**, vocalist

And more surprises!

Celebrate the **"Spirit of the Season"** with the Band and their unique rendition of classic holiday fare done Hiroshima style. How can you beat **"Rudolph the Red Nose Reindeer"** on koto?

The band will perform cuts from their 17<sup>th</sup> CD, **"Legacy"** a celebration of their 30 years in the industry which features favorites from their first 10 years.

**Artists will be available to autograph CDs after the concert.**

Check out our website at <http://hiroshimamusic.com>

Check out the Rafu Shimpō online at: [www.Rafunews.com](http://www.Rafunews.com)

**"Legacy"** is an invitation to explore Hiroshima's musical heritage. For fans of the group a welcome addition, for others the perfect entry into an unknown world of sound."

244 So. San Pedro Street,  
Downtown Los Angeles, Little Tokyo

... **Hiroshima** has been secure and secured in its position in the jazz world for as long as I can remember.

Their signature sound has yet to be matched. Imaginative compositions and melodies boasting of the tight, meticulous integration of East and West music, coupled with charming collective personalities, have worked wonders for this fine group over the years, and, with **Legacy**, you can see how they've withstood the test of time oh-so-easily."
